

What can *you* do to help prevent gun violence?

Post this list in a visible place in your home and take steps be a part of the solution.

Things I can do to help prevent gun violence

- Write a Letter to the Editor about gun violence prevention and gun safety.
- Have a conversation with a friend about gun violence. Invite him/her to get involved in helping to prevent it.
- Call or email my state senator/representative and briefly state my support of tighter gun regulations.

- Give a concealed carry brochure and/or sign to a business and ask them to post the No Guns sign.
- Post an article about gun violence with a commentary on Facebook.
- Make a donation to a gun violence prevention organization.
- Tweet decision makers urging them to do what they can to reduce gun violence.
- Sign witness slips for gun safety legislation.
- Attend my municipality's board meeting and make a public comment about the public health crisis of gun violence.
