

## **University & College Outreach Team Listening Event Invitation for Young People and Everyone Who Cares About Young People**

**We have issues – Do you???**

College tuition? College loans? Penalties for not having health insurance? Marijuana laws? Gun violence on campus? Campus assaults on students? Money in politics?

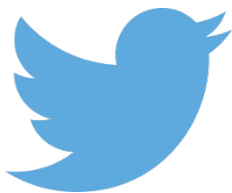

### **Students and Parents, we want to hear from you!**

The North West Suburbs Organizing for Action University & College Outreach Team has planned a short listening and planning meeting focusing on the issues that are important to recent high school graduates and college students. We want to hear the voices of students and parents on the issues as well as share information and successes.

Parents, bring your students....Students, bring your parents and get in on the ground floor of this exciting project. Join us as we learn about and take action on the issues.

The meeting will be held on Tuesday, June 16th at the Schaumburg Library from 7:00 p.m. until 9:00 p.m. Light refreshments will be served.
