Dear Mr. Faulstich,

The Events Committee for the Greater Palatine Area Democrats is in the process of planning a Democratic Candidate Forum and collecting questions for the candidates to answer. Although the forum will include audience member questions, we also would like to include questions from local groups such as yours regarding specific issues. The NWSOFA Fiscal and Economic Issue Team is one of few Democratic groups focusing on the economy and we would appreciate your help.

Our candidates are running for the Illinois State Senate and House and the U.S. House of Representatives, so your questions should reflect the purview of those offices. Questions which explore the interrelationships between Congressional and State legislation would be particularly pertinent. You may also want to consider the audience, which will be comprised of between 150 to 180 likely Democratic voters from the Palatine area. The candidates participating in the forum are as follows.

- Sean Casten, U.S. House 6th Congressional District
- Ann Gillespie, Illinois State Senate 27th District
- Maggie Trevor, Illinois State House 54th District

If you could ask questions of each candidate, what would they be?

The forum will be held on Sunday, June 3rd so we would like to receive the questions by May 23rd in order to give our committee enough time to review them. Please be assured that we will recognize your organization as having contributed questions to the event should you decide to participate. Thank you in advance for your contribution to our forum and for your ongoing commitment to making Illinois a better place in which to live.

Please feel free to contact me with any questions or concerns.

Best Regards,

Alma Kubota
